Sixteenth Annual PRICE LIST

—OF THE—

G. B. CUTLER SEED CO.

Marshall, Minn.

March 1st, 1934

In presenting you this 1934 Price List, we wish to thank all our friends and customers for their past patronage.

Our old customers are well acquainted with our ways of doing business, and you should ask the old if in doubt as to our square dealings.

No Warranty.—We exercise extreme care in the filling of all orders, but we give no warranty, expressed or implied, as to the quality, description or productiveness, or any other matter of any seeds we send out, and will in no way be responsible for the crop.

This non-warranty is similar to that used by all seed houses and we recommend that you test all seeds on arrival and if they do not meet your requirements, return them at once at our expense and we will cheerfully refund your money.

ORDER EARLY—As market conditions are not yet normal, and as fancy stocks are going to be hard to replace, we strongly recommend that our customers place their orders early, thereby taking advantage of the low prices which we present in the first issue of our 1934 Price List.

Prices Subject to Change.—The prices quoted herein are based on market conditions at the time this list is issued and are subject to change without notice. We do not alter prices except in extreme cases, but if your list is an old one and you have occasions to presume that prices are either higher or lower, just write us for current list before ordering and we will supply one at once.

Orders Promptly Filled.—In case of delay you will be notified by letter explaining the cause of such delay and advised when shipment will be made. If you do not hear from an order sent us within a reasonable

length of time, send us a duplicate, stating amount of remittance, and be sure to give your name and full address.

Terms of Sale—Cash must accompany orders and should be in the form of Money Order or Bank Draft, Currency or Registered Mail, or Bank Check.

G. B. CUTLER SEED CO.

**THE PRESENT HOME OF THE
MARSHALL SEED HOUSE.**

GEORGE

READ WHAT GEORGE HAS TO SAY

I always like to see spring come around because I know that very soon I'll be seeing my old friends coming back in to see me also making new friends and customers.

To keep up with the big boys in the seed world I too must write a few words

about how I got here and why. For the past fifteen years I have mailed out seed catalogs. Every year the number has increased until last year the number reaches six thousand five hundred. Every year I have written something about my life and as it doesn't change much from year to year, I shall have to repeat some. I hope you don't remember what I wrote last year.

I was born in Marshall, Wisconsin, and moved to Marshall, Minnesota, when I was nineteen years old. I lived on my folk's farm and batched for eight years. I really am a good cook but don't let my wife hear this or I'll have two jobs instead of one.

Like all good men, I weakened and got myself a wife. And let me repeat that I have heard that she said I was the best man that she ever had. That's something. We remained on the farm for seven years.

I thought that I could better myself by moving to town and also better the farmers' crops by selling them good seed. I began my business career by selling seed corn. And let me here state that I am a very pious man for I chose the old Catholic church for my place of business. I also bought the Evangelical church parsonage to live in.

I remained in the church for two years when I purchased the building I now occupy. I soon began dealing in other farm seeds and every year since I have added something different.

Twelve years ago I added a most important item. Garden seed. I had discovered that what this community needed was fresh garden seed. It was the custom then to buy all the garden seed in pretty pictured packages. Perhaps some of this seed was ten years old. Who knows? I decided that the people didn't need the pretty packages to put on sticks and decorate their gardens. What they really needed was more and fresher seeds for their money.

At first it didn't sell so good but when it started to go, it went like hot cakes until today it is the fastest selling item on the market.

The quality of our frost proof cabbage plants is known for many miles. I also handle tomato plants and sweet potato plants. If you haven't tried them, why don't you?

I think that the sale of garden seed will be on the increase again this year as it has been in the past. I shall again carry a full line of all field seeds. Why not make this your seed market?

Many people wonder what I do when the seed season is over. For the past four years I have taken the family and gone to Tepeeotah resort near Tracy and parked them in a cottage for two months. What? You didn't know I had a family? Well, I should say so. Twelve children! (Yes,

minus nine). Every day I drove back and forth from the lake. There isn't much business in the summer but I like to be here in case someone should come in.

In the fall and winter I take in sweet clover and alfalfa to be cleaned. I have all the equipment necessary to clean your seed. Try me!

We also handle chicken feeds, oyster shells, and mash.

I suppose I had better let up on this story before you begin to think I am like Tom's mother-in-law who came to pay a visit at Tom's house. She was a very talkative woman as most of them are. She was treated so well that she decided to stay a year. At first Tom would try to say a few things but she would always drown him out so he gave up and kept still. When she finally left, little Tommie, Jr., said, "Say dad, what was that you started to say last spring?"

When better seeds are sold, Cutler will sell them. Come in to see me this spring and just call me GEORGE.

ALFALFA

Our seed all comes to us in sealed and branded bags, and is of the 1st grade. You have likely been hearing over the radio about the cheap seed you can buy. If you have, send for sample and see then if you want the grade of seed advertised.

Northern Grown Alfalfa

This does not need any explanation as everybody knows how good it is and every farm should have a few acres.

Do not buy Alfalfa seed that is offered cheap as it may be southern grown seed which is always cheaper than northern grown seed. The southern grown alfalfa, grown from this seed will not stand our cold winters.

This year the Minnesota law says that no Grimm's Alfalfa can be sold without a state seal so do not be mis-

led by buying cheaper seed from some other state that does not have that law. Our seed is the blue tag or the best grade, put up in towel bags 30 and 60 pounds each and the price for that kind of Grimm's Alfalfa is per lb. -----23c

Our Cossack Alfalfa, as perhaps you all know, is a hardy plant, as much so as Grimm's, but makes a finer grade of hay.

Our price is per lb. -----23c

The Dakota 12 is nothing new, we all know about that.

Our price is per lb. -----18c

Nitragin

Inoculate your alfalfa and clover with Nitragin for best results.

1/2 bushel size can -----35c

1 bushel size can -----65c

SWEET CLOVER

SCARIFIER

Having just installed a new modern Scarifier we are able to do you a better job and in less time than before. Bring in your Sweet Clover—have it scarified and cleaned. Our price is 80c per cwt.

Medium Red Clover

This seed is grown in Minnesota, cleaned in fine shape and is the best grade to be had.

Price per lb. 18c

Sweet Clover

All of this seed is scarified
White Blossom (Home grown),

1st grade	-----	6c
2nd grade	-----	5c
Yellow Blossom, per pound	---	6c

Grundy Co. or Dwarf Sweet Clover

This is something new in this territory. It is a great deal finer, more like alfalfa. Makes better hay than common sweet clover.

Per lb. 5c

Alsike

This is by all means the best clover for a low land pasture.

Price per lb. 19c

White Dutch Clover

This is the kind to sow on your lawn. Also good in a pasture mixture.

Per lb. 40c

Grass Seeds

Timothy, price per pound ----- 10c

Timothy and Alsike Clover mixed

20 per cent Alsike, 80 per cent

Timothy, price per lb. ----- 12c

Red Top, price per pound ----- 14c

Blue Grass, price per pound ---- 25c

Bromus, price per pound ----- 18c

Reeds Canary Grass, per lb. ---- 75c

Dwarf Essex Rape

This seed is grown in Holland and sure is the quickest pasture for cattle, hogs and sheep when sown in spring. For fall pasture nothing gives more cheap feed than Rape sown in small grain. Price per cwt.----\$7.00

Sudan Grass

A great one year hay and pasture grass; can be cut for hay two or three times a season, a little coarse, but very good feed. Price per cwt.--\$7.50

Amber Cane

One of the greatest fodders—if mixed with corn. Price per cwt. \$4.00

Kaffir Corn

If cut green makes fine fodder. If allowed to ripen, is one of the best feeds for chickens. Per cwt.---\$4.00

Sun Flower

In a real dairy country this is getting to be quite a popular crop to put in a silo for the dairy cow. When raised for the seed is a good feed for poultry. Price per pound-----20c

Sweet Clover Scarifier

If you have any sweet clover that you want cleaned and scarified we will be glad to do it for you at a reasonable price of 80c per cwt.

We also clean any other seed that you might have that you want cleaned.

Millet

Siberian, German, Hungarian.

Ask For Prices.

Soy Beans

Manchu, per cwt. -----\$4.00

BEMIS "A" GRAIN BAGS, Each 40c

GARDEN SEEDS

Why pay two prices for your garden seed done up in packages with a pretty picture on it? If you do so—you have to pay for the picture extra.

Our seeds are in plain packages with as many or more seeds for less money. If you would like different varieties not listed below we can furnish same.

We pay postage on all garden seed. If you want package seeds will furnish them at 5 cents per package.

Onion Sets**Bermuda Onion Plants**

Will have a good supply in season and will be able to sell them as cheap or cheaper than you can get them elsewhere.

Frost Proof Cabbage Plants

Early or Late

In season

50 Plants, postpaid-----	30c
100 Plants, postpaid-----	55c

Tomato Plants

Large strong and healthy plants

1 Doz. Plants, postpaid-----15c

5 Doz. Plants, postpaid-----65c

These plants are all cheaper if you call for them here.

FLOWER SEEDS

	Oz.	Lb.
Sweet Peas, mixed-----	.10	1.50
Nasturtiums, mixed dwarf	.10	1.50

Any other flower seeds that you may want will furnish at FIVE and TEN CENTS a package.

When you need seeds, remember that G. B. Cutler Seed Co. offers only the best in seeds. A trial order will convince you.

Sweet Potato Plants

These were tried out here last year and some very nice sweet potatoes raised from them. Will have these plants here about May 15th and the price will be right.

CHICK FEED

All chicken raisers know that a good balanced ration is always best for the growing chick, and also that a good mixed feed is better than one kind of feed all the time.

SEMESAN

Semesan Bel, for potatoes 1 lb.	\$1.40
Semesan Jr., for Corn 1 lb. can	\$1.40
Ceresan, for Grain, 1 lb. can	75c
5 lb. can	\$3.00

HOT KAPS

For earlier crops use the Hot Kaps.
Price per doz.-----20c
Large Lots Cheaper..

SHEPS PLANT SPRAY

(NON-POISONOUS)

Get rid of destructive insects. Use SHEPS Plant Spray. Kills and controls both sucking and chewing insects but absolutely harmless to humans, birds, animals and pets. Will not "burn" delicate leaves or flowers. Makes green, healthy, lustrous foliage. No soap solution needed—simply mix with water.

Small Lots, Per Pound-----5c

MAKES THINGS GROW

SACCO is a specially prepared **PLANT FOOD** for the development of fine **LAWNS, GARDENS, SHRUBS, FLOWERS and TREES**. It has the endorsement of highest authorities on plant nutrition.

SACCO is very effective and economical. A light application once or twice a year, of 2 to 4 pounds per hundred square feet, will keep the lawn in excellent growing condition.

SACCO has more than four times as much plant food value as pulverized manures. Full directions for use on each package.
